A PRIVATE AREA

The Rotonde Lérins space, Palais des Festivals in Cannes

Inaugurated in December 1982, the Festival Palace and the Palais des Congrès in Cannes quickly became a symbol of international prestige and glamour.

Hosting major events such as the famous Cannes Film Festival every year, it embodies the elegance and refinement of the French Riviera.

At the heart of this emblematic palace is the Rotonde Lérins, a 2,150 m² circular room offering breathtaking panoramic views over the Bay of Cannes, the Lérins islands and the Estérel massif.

On 9 November 2025, for the french riviera Marathon Nice-Cannes, the Rotonde Lérins will be specially fitted out for you and transformed into a VIP area.

After the race, just a stone's throw from the finish line, you can extend the experience by enjoying a sports buffet, a recovery massage service and a range of surprises and entertainment.
